Please review the following statements and certify below that they are true and correct as of the date of signature:

1. I have not traveled outside the US to any countries with reported cases of COVID-19 (coronavirus) in the last 14 days.
2. I have not been in close contact with anyone who has traveled outside the US to any countries with reported cases of COVID-19 (coronavirus) within the last 14 days.
3. I have not been in close contact with someone who is "self" or "home" quarantined within the last 14 days.
4. I have not had any acute respiratory illness symptoms including cough, fever, shortness of breath within the last 14 days.
5. I have not had close contact with anyone who has had any acute respiratory illness symptoms including cough, fever, shortness of breath within the last 14 days.
6. Neither I, nor anyone in my immediate family, have been diagnosed as positive or "presumptive positive" for COVID-19 (coronavirus).
7. I have not been instructed by a medical professional to "self" or "home" quarantine within the last 14 days.
8. I have not been in an area known to have a high rate of infection (e.g. Washington, California, New Rochelle, NY) within the last 14 days.
9. I am not aware of any health circumstance, condition or reason why my presence on the Southern Ute Indian Tribe Reservation, its offices or work sites would pose a health hazard to others.

I certify that I have read the 9 statements above and that they are true as of this date.

I further certify that I will follow the Centers for Disease Control and Prevention ("CDC") guidelines for personal hygiene and measures to control the spread of COVID-19 (including those below) while at or on Southern Ute Indian Tribe Growth Fund properties.

Contractor/Vendor Signature: _____ **Date:** _____

CDC Guidelines

1. Clean your hands often

- Wash your hands often with soap and water for at least 20 seconds especially after you have been in a public place, or after blowing your nose, coughing, or sneezing.
- If soap and water are not readily available, use a hand sanitizer that contains at least 60% alcohol. Cover all surfaces of your hands and rub them together until they feel dry.
- Avoid touching your eyes, nose, and mouth with unwashed hands.

2. Avoid close contact

- Avoid close contact with people who are sick.
- Put distance between yourself and other people (6 feet), whenever possible.

3. Stay home if you're sick

- Stay home if you are sick, except to get medical care.

4. Cover coughs and sneezes

- Cover your mouth and nose with a tissue when you cough or sneeze or use the inside of your elbow.
- Throw used tissues in the trash.
- Immediately wash your hands with soap and water for at least 20 seconds. If soap and water are not readily available, clean your hands with a hand sanitizer that contains at least 60% alcohol.

NOTE: The Southern Ute Indian Tribe Growth Fund reserves the right to refuse entry for any lawful reason to any individual based on its own determination.
