

Southern Ute Indian Tribe Department of Energy Notice of Intent to Abandon Pipeline Form

14929 Hwy 172 Ignacio, CO 81137

The information below is to be sent to the Southern Ute Indian Tribe's Department of Energy to serve as notification of a ROW holder's intent to abandon a pipeline. One Notice of Intent to Abandon Pipeline (NOI) Form is to be submitted to DOE for each pipeline ROW associated with the abandonment project. DOE will conduct a field inspection on the pipeline ROW(s) associated with the NOI Form(s). DOE will notify the operator or ROW holder of the completed inspection and acceptance of the NOI Form(s). Upon completing the abandonment work, the operator will submit items listed in the DOE Pipeline Abandonment Checklist with original NOI Form attached for each approved NOI/ROW associated with the project. Submit Pipeline NOI Form and Checklist Form information to abandonpipe@sudoe.us.

1. Operator Information

Company Name: _____	Phone: _____
Address: _____	Mobile: _____
City: _____ State: _____	Zip: _____
Contact Person: _____	Email: _____

2. Project Intent

Definitions: Pipeline Status

Permanently abandon: To permanently remove a pipeline from service and will not be put back into service in the future.

Abandon segment: To permanently abandon a segment of still active pipeline and that segment will not be put back into service.

Definitions: ROW Status

Partially abandon: To permanently abandon or abandon a segment of line in a still active ROW (i.e. abandonment of water line but not gas line).

Fully abandon: To permanently abandon all lines within the permitted ROW.
